

THE WORLDWIDE LEADER IN
MEDICAL INSTRUMENT AND
COMPUTER MOUNTING
SOLUTIONS.

CHALLENGE

When implementing new mounting solutions, whether for construction or upgrades, you need to integrate them quickly, efficiently and cost-effectively—to ensure your project stays on schedule and your active rooms are not disrupted.

SOLUTION

GCX On-Site Services is a turnkey management experience based on GCX expertise. We handle the complete mounting solution assembly process for everything from computer hardware to medical devices—including anesthesia machines, fetal monitors, telemedicine, telemetry, and accessories.

BENEFITS

- Offload the entire implementation process
- Continue to operate on your schedule
- Free up your staff for other work
- Optimize your physical workflow
- Cost-effectively upgrade your technology
- Stay in control with proactive project management
- Ensure successful EMR initiatives
- Meet users' ergonomic needs

For more than 50 years, GCX Healthcare Solutions and subsidiaries, like Jaco, Inc., have been empowering clinicians to achieve optimal patient outcomes. GCX offers hospitals, medical equipment distributors, and medical device manufacturers safe, comfortable, and ergonomic mounting and mobility solutions that support proper usage of medical and IT devices in a variety of environments. As an ISO 13485 and FDA-registered company, GCX has an excellent track record for design innovation, product quality, and customer service.

“None of your competitors does this.”

ON-SITE SERVICES

EXPERIENCE. QUALITY. SUPPORT.

Our staff implements your computer and medical device mounting solutions within your active areas and occupied rooms, while ensuring minimal, if any, impact to patient care. Our comprehensive service extends all the way to post-assembly cleanup and debris removal to minimize your management time.

MAINTENANCE & ASSESSMENT

We make sure all assembled equipment is functioning properly, and needed repairs and replacements are logged.

ACTIVE AREA COORDINATION

We assemble and maintain equipment at the times you choose to ensure workflow and patient care are unaffected.

NEW CONSTRUCTION

We can assemble up to 100 workstations per day so your operations are online fast.

ASSEMBLY & DELIVERY

We deliver equipment that commercial shipping cannot, to specific rooms; assemble it on-site or off-site; and remove all waste.

TECHNOLOGY UPGRADES

We can mount your new devices on existing GCX equipment, saving you time and money. A simple upgrade may be required.

DISASSEMBLY & REMOVAL

We'll remove—and, when possible, recycle—discarded systems and parts as well as leftover packing materials.

"I wish all vendor setups went that smoothly!
I'd much prefer to have GCX do the work."

— METHODIST HOSPITAL, DALLAS, TX

STANDARDS COMPLIANCE

GCX is dedicated specifically to the medical industry and is proud to be ISO 13485:2003 certified—the same standard required by medical device manufacturers.

ENVIRONMENTAL SUPPORT

We're green. GCX is a Sonoma County Green Business and has fulfilled requirements to receive the Platinum Green Certificate from the Green Business Bureau (GBB).
