For more than 50 years, GCX Healthcare Solutions and subsidiaries, like Jaco, Inc., have been empowering clinicians to achieve optimal patient outcomes. GCX offers hospitals, medical equipment distributors, and medical device manufacturers safe, comfortable, and ergonomic mounting and mobility solutions that support proper usage of medical and IT devices in a variety of environments. As an ISO 13485 and FDA-registered company, GCX has an excellent track record for design innovation, product quality, and customer service.

 GCX tablet-mounting solutions dramatically increased our patient participation.

PUT INFORMATION AND CONTROL IN YOUR PATIENT'S HANDS.

If improving the patient experience through safe, convenient tablet use is among your organizational goals, GCX has the solution: an industry-first, over-bed table with integrated tablet mount that earned a top award in healthcare product innovation.

Tablet-mounting solutions for patient engagement help deliver apps and other on- and offline tools so patients can be more involved in their healthcare and stay connected with families and friends. By improving tablet usage, hospitals can deliver a more satisfying overall patient experience.
