ANESTHESIA MOUNTING INTERFACES

GCX works with anesthesia machine manufacturers to incorporate channel profiles for safely mounting medical devices and IT-related hardware. If existing channels don't work, GCX has options to accommodate other channel profiles.

GCX
Healthcare Solutions

GCX
Healthcare Solutions

For more than 50 years, GCX Healthcare Solutions and subsidiaries, like Jaco, Inc., have been empowering clinicians to achieve optimal patient outcomes. GCX offers hospitals, medical equipment distributors, and medical device manufacturers safe, comfortable, and ergonomic mounting and mobility solutions that support proper usage of medical and IT devices in a variety of environments. As an ISO 13485 and FDA-registered company, GCX has an excellent track record for design innovation, product quality, and customer service.

GCX lets surgical teams easily access equipment and IT components.

GCX MOUNTING SOLUTIONS HELP INTEGRATE TECHNOLOGY INTO PERIOPERATIVE ENVIRONMENTS.

Healthcare facilities equipped with GCX® mounting solutions enable providers to focus on their patients rather than technology placement. Standardizing with GCX products makes IT hardware facilitation and integration happen more quickly and smoothly while also lowering the total cost of ownership.

OR

Mounting solutions for IT workstations, tablets, PACS viewing, and large flat panel displays.

PACU

Mounting solutions for patient monitors and IT workstations at the bedside.

ANESTHESIA

SAFELY MOUNT DEVICES AND HARDWARE TO THE LEFT SIDE, RIGHT SIDE AND TOP SHELF.
