

A Big Boost for Patient Tablet Use

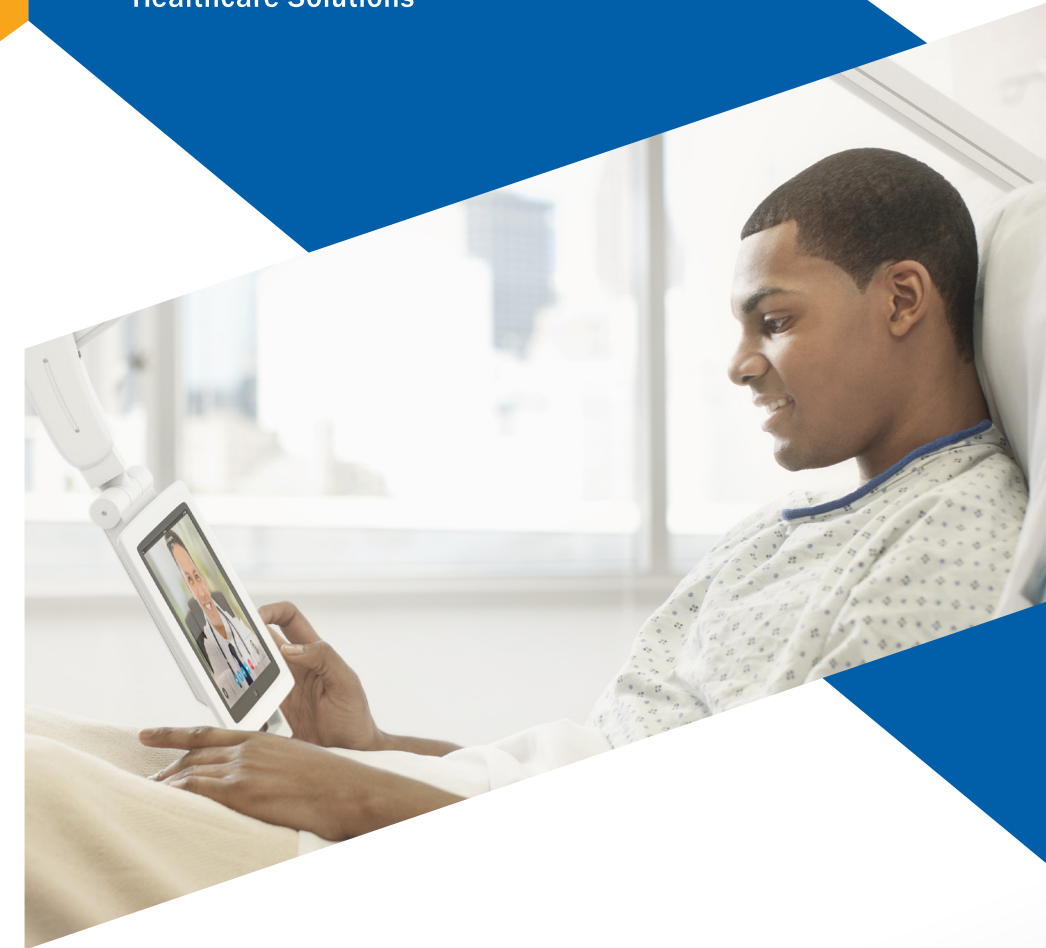

Improve the patient experience through comfortable, convenient tablet use with GCX wall and headwall mounts, overbed tables, roll stands, and carts.

Whatever your need, GCX has a mount to support greater patient engagement. Help your patients stay involved in their care and connected to their providers and families during hospitalizations or outpatient services.

Standardizing with GCX Healthcare Solutions helps shape the patient experience within the healthcare environments.

Patient Engagement
MOUNTING SOLUTIONS

A suite of solutions for tablet device integration.

PEOPLE ARE TALKING ABOUT THE LATEST GCX PATIENT ENGAGEMENT OVERBED TABLES:

- **Security and Protection:** USB charging modules and up to 95% fully concealed cables to avoid unintentional removal.
- **Durability and Reliability:** Made with medical-grade materials that can withstand high usage and hospital-grade cleaning agents.
- **Safety and Comfort:** PRO-ADJUST™ Tablet Arm securely fastened to table to keep tablet in safe and stable position but can be folded quickly out of the way.
- **Customization:** Your choice of six different table-top colors, integrated storage drawer, tablet holder, USB charging module, straight or coiled power cord, and a variety of bins and baskets.

NO TIME TO SET UP AND MAINTAIN YOUR GCX PRODUCTS?

Our **On-site Services®** team is ready to install, maintain, or replace any mount in any patient care area. Call us at **800-228-2555**.
