

EVO™ Lite

NEW Non-Powered Additions to the Jaco EVO Cart Series

Meet the last non-powered carts you'll ever need. Jaco EVO Lite carts are built to perform now, and years from now. They're incredibly light, but solid and strong. They're slim and compact, yet remarkably well equipped. They deliver the comfort and capabilities nurses want at the bedside, and the trouble-free performance that lets IT focus on healthcare innovation. And they're backed by the exclusive Jaco EVO 10-year warranty.

EVO™ Lite

Three models. Countless applications.

EVO Lite Tablet

Compact, Flexible Tablet Cart

360° pan, 120° tilt, and 360° portrait-to-landscape rotation enable patient engagement from virtually any angle. Key-lock tablet cradles available for new and recent Apple iPad and Microsoft Surface/Surface Pro models.

EVO Lite LT1

High-Productivity Laptop Workstation

Thoughtful design secures your laptop beneath a generous (17.5" x 11.75") easy-to-clean 'slotless' worksurface. Available with a standard or extra-large keyboard tray.

EVO Lite LT2

Versatile Laptop/Podium Cart

Talk about lightweight strength: EVO Lite LT2 starts at 27 lbs. but is 98% steel and metal by weight. Fold it down to just 29.75" when not in use to store it under counters and out of the way.
