

**EVO LCD Cart**  
Available with hot-swap  
and on-board power

**EVO Wall Arm**  
Folds to project just 7.5 in.  
(19.05 cm) from wall

## Jaco EVO

# Durable IT Workstations for Emergency

Right-sized, heavy-duty IT carts and wall arms for hospital emergency departments

**Light, compact, agile carts**

EVO carts are up to 45% lighter than comparable powered carts, with a slim profile and small footprint that fits in the tightest triage bays.

**Fully-equipped, space-saving wall arms**

EVO wall arms offer a spacious worksurface and locking PC cabinet, but fold to just 7.5 in. (19.05 cm) from the wall when not in use.

**Rugged and durable, guaranteed**

Every EVO cart and wall arm is built from aircraft-grade metal, and backed by a 10-year warranty.

**Unequalled infection control**

A high-gloss antimicrobial finish on all metal surfaces cleans easily and withstands chemical and UV disinfection.

**For carts: Dual-battery hot swap**

EVO POWER BLADE™ hot-swap enables 24x7 uptime with fewer interruptions for battery swapping.

**Fully configurable**

Hundreds of options and accessories let you adapt EVO workstations for specific procedures or workflows.

# Key Specifications
